## **Expedition Seven astronaut Dr. Ed Lu to visit Marshall**

**D**r. Ed Lu, flight engineer and science officer aboard the International Space Station during Expedition Seven, will visit the Marshall Center on Friday. He will present mission highlights in Morris Auditorium. Time of the presentation will be announced. Lu also will present Silver Snoopy awards. He spent a six-month tour of duty aboard the Station -- logging 184 days in space from April 25-Oct. 27, 2003. Lu also flew as a mission specialist aboard STS-84 in 1997, and served as a mission specialist and payload commander aboard STS-106 in 2000.
